

Arizona Supersearch (AZSS)

Automated reach. Human verification. Court-level accuracy.

AZSS combines live court searches across all 15 Arizona counties into one consolidated statewide report. Every potential record is reviewed for identifiers, accuracy, and reportability before it is returned.

Parallel Searches

Parallel searches cover all 15 counties, including every Superior Court and select Justice Courts

Automation + Expert Review

Automated case retrieval followed by researcher verification on every hit for IDs, accuracy, and reportability.

Court-Level Confirmation

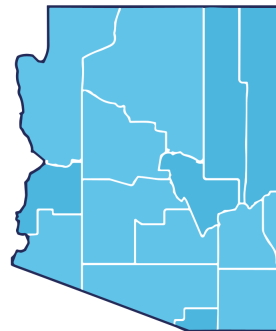

Confirmed records include case number, court, charge level, dates, disposition, sentencing, and full identifiers.
