

Illinois Supersearch (ILSS)

Automated reach. Human verification. Court-level accuracy.

The Illinois Supersearch (ILSS) searches court-level indexes across all 102 Illinois counties simultaneously, delivering real-time statewide coverage in one consolidated report. Potential records are reviewed by expert researchers for identifiers, accuracy, and reportability. No private databases are used, and no separate county follow-up orders are needed.

1

Parallel Searches

All 102 Illinois counties searched simultaneously using predominantly court-level indexes.

2

Automation + Expert Review

Automated case retrieval followed by expert verification on every hit for IDs, accuracy, and reportability.

3

Court-Level Confirmation

Confirmed records include case number, court, charge level, key dates, disposition, sentencing, & all readily available identifiers.
